

Imelda

Wet-look Crocodile-embossed Patent Leather

Average Hide Size: 20 s.f.

Average Thickness: 1.3 mm

Average Weight: 3.5 oz.

A wet-look patent leather embossed with a crocodile pattern, Imelda is soft, luscious and versatile. Including multi-toned purple/black to black with gold undertones, this most unusual leather can be used in almost any setting. The ultra-glossy patent leather finish, consisting of a clear water base and a non-yellowing polyurethane topcoat, is as durable as it is fabulous, making it a perfect choice for high-traffic hospitality settings.

Imelda is a collection of several varieties of reptile-embossed wet-look leather:
