

## Classico

Light, Natural Grain

**Average Hide Size:** 55 s.f.

**Average Thickness:** 1.1 mm

**Average Weight:** 3.0 oz

Classico is a full-grain aniline with a light natural texture and intense color. Classico is Cortina's flagship leather. Our selection process of only the finest European cowhide enables us to use the minimum coverage to produce these large and exceptionally clean hides with a very large yield. A protective topcoat is added to ensure that the hides are resistant to water, fading and staining.
