

Comma

Paisley Embossed

Average Hide Size: 25 s.f.

Average Thickness: 1.3 mm

Average Weight: 3.5 oz.

Originally created for the guest room ottomans for a major hotel chain, Comma is made from cowhide embossed with a large, intricate paisley pattern. The raised portion of the leather is tipped with a tone-on-tone color, replicating the look of traditional tooled leather.

Available in half hides only.
